SUMMARY

- As a Full Stack Developer with a growing interest in Graphic Design, I find joy in the daily process of crafting new creations. Whether it's building web applications, designing websites, working on Photoshop projects, or exploring other creative endeavors, I am passionate about bringing innovative ideas to life.
- I am driven by an unwavering passion for learning, embracing even the most challenging subjects. I firmly believe that hard work is the cornerstone of acquiring new knowledge. Throughout my journey, I have successfully completed numerous projects, constantly seeking opportunities to enhance and apply what I've learned. Additionally, I am actively engaged in exploring and mastering new technologies, continuously expanding the horizons of my knowledge and expertise.

EMPLOYMENT HISTORY

Web Developer (Contract) | Summer's Toy Schnauzers 06/2023-08/2023

- As a contracted Web Developer at Summer's Toy Schnauzers, my primary focus was on front-end development tasks.

C# Developer Intern | Prosper IT Consulting 06/2023-06/2023

- During my internship at Prosper IT Consulting, I successfully built a contact form and developed a functional blog post page for a Theatre company.
- The project involved using C#, Azure DevOps, and Git Version Control, while adhering to Agile and SCRUM methodologies.

Python Developer Intern | Prosper IT Consulting 05/2023-05/2023

- As a Python Developer intern at Prosper IT Consulting, my main responsibility was to add an app to the company's existing website.
- This project required expertise in PyCharm, Azure DevOps, Django, and Git Version Control, and we followed Agile and SCRUM methodologies.

Student | The Tech Academy 01/2023-05/2023

- At The Tech Academy, I completed a comprehensive Software Developer Bootcamp, which encompassed 900 hours of instruction and hands-on coding experience.
- The program covered a wide range of topics, including C#, Python, Computer Science fundamentals, Django, .NET Framework, T-SQL/SQL, MVC, CRUD, HTML, CSS, JavaScript, Agile/SCRUM, and web application development.

EDUCATION & TRAINING

Certification in Software Development | The Tech Academy 06/20/2023

A.A. in General Studies | Valencia College 2018 - 2020
